

# NOLEY'S LLC VENDOR APPLICATION FORM

This is not an agreement and is not legally binding. This form is used for vendors interested in displaying their quality creations in our unique store.

Once we have received your application, we will contact you within three days to set up an appointment with you to review samples of your creations. We have a 3-person jury that will approve or disapprove creations that will be displayed and sold in Noley's. The specific items that are approved must be exclusively displayed in Noley's, only within the Payson town limits (this does not include out of town stores such as Star Valley, Pine, Strawberry, Tonto Basin, etc). Some exceptions may apply on a case-by-case basis.

Noley's is dedicated to high quality local art and handcrafted gifts & goodies (some exceptions may apply). Noley's gifts must be made in America, which includes at least 70% of raw materials used to make the gifts.

For vendor space and commission fees, please review the details at the end of this application. For further questions, please contact us at [heidi@noleys.com](mailto:heidi@noleys.com) or call 928-978-4900.
