- AZ Cottage License
- Necessary Specialty Certificates

All Vendors

- Canopy
- Tables / Chairs

USE OF PROPERTY - Noley's shares its parking lot with several other businesses, so we kindly ask all vendors to be considerate and clean up after themselves throughout the day and at the end of the event.

SET UP - All vendors may begin setting up at 7AM on the morning of the event. Markers will indicate the designated locations for each vendor. Please ensure that you remain within the parameters of your assigned spot. Vendors are permitted to bring their vehicles into their designated area for unloading between 7AM and 8:15AM. This allows for a 45-minute grace period to relocate your vehicles and complete the space setup.

TEAR DOWN - We ask all vendors to remain open throughout the entire event. However, if you need to leave, no vehicles will be allowed on the event site. This measure is in place to ensure the safety of both patrons and fellow vendors. Once the event concludes, you are welcome to tidy up your area and depart. Please remember to dispose of all trash and debris before you leave.

PROMOTIONS - We will do our best to promote the event as the date approaches, but we highly encourage you, as a vendor, help spread the word and invite the community! Feel free to send me your logo and/or high quality marketing images, and a brief description of your business to help with our social media efforts. My email is michelle@noleys.com.

All spaces are to be paid for in cash and are non-refundable. By signing this contact, you are accepting these terms and committing to contribute to the success of this event.
